

PROCUREMENT ADVANCE NOTICE

Organisation	The Extreme Light Infrastructure ERIC Registered office: Za Radnicí 835, 252 41 Dolní Břežany, Czech Republic, Identification No.: 109 74 938
Procurement title:	Property and Liability Insurance of ELI Facilities

Description of the Procurement:

The Organization intends to procure property and liability insurance covering its activities and those of its subsidiaries under an international program. The insurance shall cover mainly the operation of scientific facilities operated by the Organisation:

- ELI Beamlines in the Czech Republic (owned and operated by the Organisation)
- ELI ALPS in Hungary (owned by ELI-HU Nonprofit, Ltd., operated by the Organisation)

The insured persons shall be the Organisation, ELI-HU Nonprofit, Ltd., and any their subsidiaries.

The insurance programme covers a comprehensive property all-risks insurance for owned and third-party assets, including buildings, infrastructure, machinery, equipment, IT, and movable property, together with ancillary costs, data restoration, and business-related expenses. It also includes theft, burglary, robbery and vandalism insurance, insurance of cash and valuables, glass and specialised optical components insurance, insurance of machinery and electronic perils, and insurance for exhibitions and transit of property.

In addition, the programme includes liability insurance, covering general third-party liability, product liability, employer's liability, and liability arising from ownership or use of real estate. The cover extends to financial losses (including pure financial loss), environmental liability, liability for property in custody or use, and liability arising from operational, research, advisory, and related activities.

The procurement will be conducted as an open procedure.

Estimated Date for the Performance of the Contract:

The insurance shall commence on August 1, 2026, but later for the ELI ALPS facility (estimated date: September 26, 2027). The insurance shall terminate on August 1, 2031.

Estimated Time Frame for the Publication of a Call for Tenders:

The Organization plans to publish the call for tenders for this Procurement in June 2026.

Additional Information:

The insurance contract(s) shall be awarded in compliance with the Procurement Rules of the Organisation.
